

Remarks

Claims 1-32 are pending in the subject application. Applicants hereby reaffirm the election to prosecute the invention of Group I (claims 1-21, now corresponding to claims 40-58), without traverse. By way of this amendment, claims 1-32 have been canceled and claims 40-60 have been added. Support for the new claims may be found, for example, at page 4, paragraph 3, page 6, paragraph 2, page 12, first full paragraph and original claims 1-23 (of the PCT publication). Accordingly, claims 40-60 are currently before the Examiner and claims 40-58 read on the elected invention. Favorable consideration of the pending claims is respectfully requested.

Applicants believe that the pending claims are in condition for allowance and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

Frank C. Eisenschenk, Ph.D.
